#### ARTICLE XI.

##### Education.

Section 1. The supervision of public instruction shall be vested in a State Superintendent of Education, who shall be elected for the term of two years by the qualified electors of the State, in such manner and at such time as the other State officers are elected; his powers, duties and compensations shall be defined by the General Assembly.

Sec. 2. There shall be a State Board of Education, composed of the Governor, the State Superintendent of Education, and not exceeding seven persons to be appointed by the Governor every four years, of which board the Governor shall be Chairman, and the State Superintendent of Education, Secretary. This board shall have the regulation of examination of teachers applying for certificates of qualification, and shall award all scholarships, and have such other powers and duties as may be determined by law. The traveling expenses of the persons to be appointed shall be provided for by the General Assembly.

Sec. 3. The General Assembly shall make provision for the election or appointment of all other necessary school officers, and shall define their qualifications, powers, duties, compensation and terms of office.

Sec. 4. The salaries of the State and County school officers and compensation of County Treasurers for collecting and disbursing school moneys shall not be paid out of the school funds, but shall be otherwise provided for by the General Assembly.

Sec. 5. The General Assembly shall provide for a liberal system of free public schools for all children between the ages of six and twenty-one years, and for the division of the counties into suitable school districts, as compact in form as practicable, having regard to natural boundaries, and not to exceed forty-nine nor be less than nine square miles in area: Provided, That in cities of ten thousand inhabitants and over, this limitation of area shall not apply: Provided, further, That when any school district laid out under this section shall embrace cities or towns already organized into special school districts in which graded school buildings have been erected by the issue of bonds, or by special taxation; or by donation, all the territory included in said school district shall bear its just proportion of any tax that may be levied to liquidate such bonds or support the public schools therein: Provided, further, That nothing in this article contained shall be construed as a repeal of the laws under which the several graded school districts of this State are organized. The present division of the counties into school districts and the provisions of law now governing the same shall remain until changed by the General Assembly.

**Note.**—The laws applying to schools districts and the Graded schools held not repealed by this constitutional provision. *Martin v. School District of Laurens*, 57 S. C., 125.

Liberal provision for support of schools required. *Murph v. Landrum*, 76 S. C., 32; and Acts in the interest of the schools will be so construed. *State ex rel. Spencer v. McCaw*, 67 S. C., 351.

Sec. 6. The existing County Boards of Commissioners of the several counties, or such officer or officers as may hereafter be vested with the same or similar powers and duties, shall levy an annual tax of three mills on the dollar upon all the taxable property in their respective counties, which tax shall be collected at the same time and by the same officers as the other taxes for the same year, and shall be held in the county treasury of the respective counties; and the said fund shall be apportioned among the school districts of the county in proportion to the number of

pupils enrolled in the public schools of the respective districts, and the officer or officers charged by law with making said apportionment shall notify the trustees of the respective school districts thereof, who shall expend and disburse the same as the General Assembly may prescribe. The General Assembly shall define "enrollment." Not less than three trustees for each school district shall be selected from the qualified voters and taxpayers therein, in such manner and for such terms as the General Assembly may determine, except in cases of special school districts now existing, where the provisions of law now governing the same shall remain until changed by the General Assembly: Provided, The manner of the selection of said trustees need not be uniform throughout the State. There shall be assessed on all taxable polls in the State between the ages of twenty-one and sixty years (excepting Confederate soldiers above the age of fifty), an annual tax of one dollar on each poll, the proceeds of which tax shall be expended for school purposes in the several school districts in which it is collected. Whenever during the three next ensuing fiscal years the tax levied by the said County Boards of Commissioners or similar officers and the poll tax shall not yield an amount equal to three dollars per capita of the number of children enrolled in the public schools of each county for the scholastic year ending the thirty-first day of October in the year eighteen hundred and ninety-five, as it appears in the report of the State Superintendent of Education for said scholastic year, the Comptroller General shall, for the aforesaid three next ensuing fiscal years, on the first day of each of said years, levy such an annual tax on the taxable property of the State as he may determine to be necessary to make up such deficiency, to be collected as other State taxes, and apportion the same among the counties of the State in proportion to the respective deficiencies therein. The sum so apportioned shall be paid by the State Treasurer to the County Treasurers of the respective counties, in proportion to the respective deficiencies therein, on the warrant of the Comptroller General, and shall be apportioned among the school districts of the counties, and disbursed as other school funds; and from and after the thirty-first day of December, in the year eighteen hundred and ninety-eight, the General Assembly shall cause to be levied annually on all the taxable property of the State such a tax, in addition to the said tax levied

by the said County Boards of Commissioners or similar officers, and poll tax above provided, as may be necessary to keep the schools open throughout the State for such length of time in each scholastic year as the General Assembly may prescribe; and said tax shall be apportioned among the counties in proportion to the deficiencies therein and disbursed as other school funds. Any school district may by the authority of the General Assembly levy an additional tax for the support of its schools.

**Note.**—The term “levy” as the three mill tax imposes purely ministerial duties on the board, and requires that it shall take such action as will place the tax on the auditor’s books. *Dickson v. Burckmeyer*, 67 S. C., 534.

As to the apportionment of the tax see *Capers v. Derham*, 54 S. C., 349; and *Murph v. Landrum*, 76 S. C., 32.

Sec. 7. Separate schools shall be provided for children of the white and colored races, and no child of either race shall ever be permitted to attend a school provided for children of the other race.

**Note.**—See *Floyd v. News and Courier*, 71 S. C., 118.

Sec. 8. The General Assembly may provide for the maintenance of Clemson Agricultural College, the University of South Carolina, and the Winthrop Normal and Industrial College, a branch thereof, as now established by law, and may create scholarships therein; the proceeds realized from the land scrip given by the Act of Congress passed the second day of July, in the year eighteen hundred and sixty-two, for the support of an agricultural college, and any lands or funds which have heretofore been or may hereafter be given or appropriated for educational purposes by the Congress of the United States, shall be applied as directed in the Acts appropriating the same: Provided, That the General Assembly shall, as soon as practicable, wholly separate Claflin College from Claflin University and provide for a separate corps of professors and instructors therein, representation to be given to men and women of the negro race; and it shall be the Colored Normal, Industrial, Agricultural and Mechanical College of this State.

Sec. 9. The property or credit of the State of South Carolina, or of any county, city, town, township, school district or other

subdivision of the said State, or any public money, from whatever source derived, shall not, by gift, donation, loan, contract, appropriation, or otherwise, be used, directly or indirectly, in aid or maintenance of any college, school, hospital, orphan house, or other institution, society or organization, of whatever kind, which is wholly or in part under the direction or control of any church or of any religious or sectarian denomination, society or organization.

**Note.**—See Attorney General's opinion as to what are not violations of this section. In the case of the Epworth Orphanage, September 27, 1902; and also. Reports and Resolutions, 1905, Vol. 2, p. 27.

Sec. 10. All gifts of every kind for educational purposes, if accepted by the General Assembly, shall be applied and used for the purposes designated by the giver, unless the same be in conflict with the provisions of this Constitution.

Sec. 11. All gifts to the State where the purpose is not designated, all escheated property, the net assets or funds of all estates or copartnerships in the hands of the Courts of the State where there have been no claimants for the same within the last seventy years, and other money coming into the Treasury of the State by reason of the twelfth section of an Act entitled "An Act to provide a mode of distribution of the moneys as direct tax from the citizens of this State by the United States in trust to the State of South Carolina," approved the twenty-fourth day of December, in the year eighteen hundred and ninety-one, together with such other means as the General Assembly may provide, shall be securely invested as the State School Fund, and the annual income thereof shall be apportioned by the General Assembly for the purpose of maintaining the public schools.

Sec. 12. All the net income to be derived by the State from the sale or license for the sale of spirituous, malt, vinous and intoxicating liquors and beverages, not including so much thereof as is now or may hereafter be allowed by law to go to the counties and municipal corporations of the State, shall be applied annually in aid of the supplementary taxes provided for in the sixth section of this article; and if after said application there should be a surplus, it shall be devoted to public school

purposes, and apportioned as the General Assembly may determine: Provided, however, That the said supplementary taxes shall only be levied when the net income aforesaid from the sale or license for the sale of alcoholic liquors or beverages are not sufficient to meet and equalize the deficiencies for which the said supplementary taxes are provided.

**Note.**—How funds must be apportioned. See *Murph v. Landrum*, 76 S. C., 22; *Capers v. Derham*, 54 S. C., 350.

He shall secure, by and with the advice of the State Board of Education, uniformity in the use of text-books throughout the free public schools of the State, and shall forbid the use of sectarian or partisan books and instruction in said schools. He shall prepare and transmit to the several County Superintendents of Education, school registers, blank certificates, re-

He shall collect in his office such school books, apparatuses, maps and charts as can be obtained. He may certify copies of all papers filed in his office, and such certified copies shall be competent evidence thereof.

**Note.**—The State Superintendent has general supervision over all public schools and school funds. *Duncan v. Heyward*, 74 S. C., 565; 78 S. C., 243. No fees can be charged pupils entitled to attend such schools. Atty. Gen'l opinion, 1903, Reports and Reso., 1904, p. 1062. Though such fees may be charged under some special charters. Atty. Gen. op., 1901, Oct. 15th.

All State institutions of higher learning shall make an annual report on or before the first day of September of each year to the State Superintendent of Education, embracing a detailed account of the operations of such institutions, including the expenditure of the public moneys for the current scholastic year, which reports the State Superintendent of Education shall include in his annual report to the Legislature. All Acts or parts of Acts requiring annual reports to be made to other authorities are hereby repealed.

For the faithful management of all property so received by the State Treasurer, he shall be responsible upon his bond to the State as

for other funds received by him in his official capacity: Provided, however, That the Trustees of any school district of this State may take and hold in trust for their particular school district any property granted, devised, given or bequeathed to such school district, and apply the same in the interest of the schools of their district in such manner as in their judgment seems most conducive to the welfare of the schools when not otherwise directed by the terms of the grant, devise, gift or bequest: And Provided, further, That before said Trustees shall assume control of any grant, devise, gift or bequest they shall give a bond, to be approved by the County Board of Education of the County in which such grant, devise, gift or bequest is made, conditioned for the faithful discharge of the trust reposed in them in respect to said property, which bond shall be deposited with the Clerk of the Court of said County. Genl's opinion, 1905, p. 42 As to award of Clemson College scholarships; post-graduates may enjoy; Atty. Genl's Report, 1907, p. 139; as they are not limited to any particular class. Atty. Genl's Report, 1904, p. 23; preference must always be given those taking the agricultural course, Atty. Genl's Report, 1904, p. 24; vacancies from one county cannot be filled from another, Atty. Genl's Report, 1904, p. 24.

The teacher or principal of every school shall keep and furnish annually to the Trustees of the school district a list of all pupils that have attended the school during the preceding scholastic year, showing the names of the pupils, their respective places of residence, and the number of days each pupil has attended, which list shall be certified to the County Board of Education by said Trustees on or before the 1st day of August in every year.

That whenever any children of school age, as provided by law, shall attend a public night school for twenty nights in any scholastic year, they shall be deemed enrolled and their names shall be used by the County Boards of Education in making apportionments just as if they had attended day schools ten days as provided by law: Provided, That the said night schools shall be taught by teachers qualified by law to teach in the public schools of the State: And provided, also, That the course of study shall be the course approved by the State Board of Education for use in the public schools of the State.

That the same children shall not be counted twice in making up the enrollment of a school district.

When commissioned he shall immediately enter upon the discharge of his duties. His failure to qualify within thirty days after notice of his election shall create a vacancy: Provided, The bond of the Superintendent of Education for Saluda County, which has a large reserve school fund, shall be five thousand dollars. XXIV Stats, 58.

Sec. 1187. The State Board of Education shall fill all vacancies in the office of County Superintendent of Education for the unexpired term.

Sec. 1188. It shall be the duty of each County Superintendent of Education to visit the schools in his county at least once in each year, and oftener if practicable, and to note the course and method of instruction and the branches taught, and to give such recommendation in the art of teaching and the method thereof in

each school as shall be necessary, so that uniformity in the course of studies and method of instruction employed shall be secured as far as practicable in the schools of the several grades, respectively. He shall acquaint himself as far as practicable with the character and condition of each school, noting any deficiencies that may exist, either in the government of the school or the classification of its pupils or the method of instruction employed in the several branches, and shall make such suggestions in private to the teachers as to him shall appear necessary to the good order of the school and the progress of the pupils. He shall note the character and condition of the school houses, the sufficiency or insufficiency of the furniture, and shall make such suggestions to the several Boards of Trustees as in his opinion shall seem conducive to the comfort and progress of the several schools. It shall be the duty of each County Superintendent of Education to aid the teachers in all proper efforts to improve themselves in their profession. For this purpose he shall encourage the formation of associations of teachers for common improvement and conduct teachers' institutes. He shall attend the meetings of such associations and give such advice and instruction in regard to their conduct and management as in his judgment will contribute to their greater efficiency.

Sec. 1189. The County Superintendent of Education shall attend the annual settlement of the County Treasurer with the Comptroller General. signed by the school authorities, for that scholastic year in the order of their presentation, provided that there be no outstanding claims of the previous scholastic year; and the Comptroller General shall receive the warrants thus paid as proper vouchers in the hands of the County Treasurer.

See Criminal Code for penalty for violation of this section.

Sec. 1190. The annual report of the County Board of Education shall contain the complete statistics of all schools within his county supported in whole or in part from the public funds, as may be required of him by the State Superintendent of Education.

Sec. 1191. The County Superintendent of Education shall make an annual report of all claims filed, audited and allowed and ordered paid by him during each fiscal year to the presiding Judge at the third term of the Court of General Sessions for his county, which shall be held after the first day of January in each year, to be submitted by said Judge to the grand jury for their examination. After examination, the grand jury shall report thereon to the presiding Judge any matter growing out of or pertaining to said annual report which to them may seem worthy of the attention of the Court. The said report shall thereupon be filed by the Clerk of said Court and kept as papers of said Court, for inspection by any citizen desirous of examining the same.

Sec. 1192. The County Board of Commissioners of each county are authorized and required to furnish the County Board of Education of their county with a comfortable and convenient office and suitable office furniture, and to supply said office with fuel, lights, stationery, postage and such other incidentals as are necessary to the proper transaction of the legitimate business of his office.

Sec. 1193. It shall be the duty of the County Superintendent of Education, on or before the fifteenth day of July in each year, to report to the County Treasurer, by school districts, all school claims approved by him for the school year last preceding, and the County Treasurer shall thereupon close their school accounts for that year, carrying over any balance to the credit of each school district of the then current fiscal year.

Sec. 1194. The County Superintendent of Education shall keep a register of all claims approved by him and of such other matters as the State Superintendent of Education shall require of him, and in the form prescribed by the State Superintendent.

Section 1195. The County Superintendent of Education shall furnish the School Trustees of his County with copies of the reports made to him by the County Auditor and County Treasurer as to the persons listed and paying poll tax, and shall aid the Trustees in making all proper corrections.

Sec. 1196. The County Superintendents of Education shall keep in their office a die, in a circular form, upon the centre of which shall be engraved, in capital letters, the word "seal," and on the circumference the proper words indicating the office, which shall be regarded as the seal of the office, and which the County Superintendent of Education shall be required to impress upon all papers issued from his office, and affix his name to such paper. And it shall be the duty of the County Board of Commissioners in each county to furnish the County Superintendent of Education of their respective counties with such seal.

Act of 1909, 26 Stats., 132: Any and all school warrants issued by any Board of School Trustees against any public school fund shall not be paid by the County Treasurer or other officer having the custody of such fund until the warrant has been approved by the County Superintendent of Education of the county in which said warrant is drawn.

It is not necessary that claims approved by him be also under his official seal.—*State v. Morton*, 51 S. C., 323, 28 S. E., 945.

Sec. 1197. **Note.**—Two are a quorum and can act. Atty. Genl. Op., 1906, p. 105.

Sec. 1200, 26 Stats., 73. The County Board of Education shall examine all candidates for the position of teacher and give to each person found qualified a certificate, setting forth the branches of learning he or she may be capable of teaching and the percentage attained in each branch; said certificate to be valid for a term of two years unless sooner revoked, and it may be renewed with or without examination, at the discretion of the board, all of which shall be done under such regulations as the State Board of Education may prescribe. Sec. 1201. It shall be the duty of the County Board of Education and the Boards of Trustees hereinafter provided for to see that in every school under their care there shall be taught, as far as practicable, orthography, reading, writing, arithmetic, geography, English grammar, the elements of agriculture, history of the United States and this State, the principles of the Constitution of the United States and this State, morals and good behavior, algebra, physiology and hygiene, and especially as to the effects of alcoholic liquors and narcotics upon the human system, English literature, and such other branches as the State Board may from time to time direct.

Sec. 1201a. 1. That the nature of alcoholic drinks and narcotics and special instruction as to their effect upon the human system, in connection with the several divisions of the subject of Physiology and Hygiene, shall be included in the branches of study taught in the common or public schools in the State of South Carolina, and shall be studied and taught as thoroughly and in the same manner as other like required branches are in

said schools, by the use of text books in the hands of pupils where other branches are thus studied in said schools, and orally in the case of pupils unable to read, and shall be taught by all teachers and studied by all pupils in all said schools supported wholly or in part by public money.

2. The text books used for the instruction required to be given in the preceding section in the primary and intermediate grades, shall give at least one-fourth of their space to the consideration of the nature and effect of alcoholic drinks and narcotics, and the books used in the highest grade of graded schools shall contain at least twenty pages of matter relating to this matter.

3. It shall be the duty of the proper officer in control of any school described in the foregoing section to enforce the provisions of this Act; and any officer, school director, committee, superintendent or teacher who shall refuse or neglect to comply with the requirements of this Act, or shall neglect or fail to make proper provisions for the instruction required and in the manner specified by the first section of this Act, for all pupils in each and every school under his jurisdiction, shall be removed from office and the vacancy filled as in other cases. (Act of 1908, 25 Stats., 1053.)

Sec. 1202. The County Boards of Education of the several counties of this State shall levy an annual tax of three mills on the dollar upon all the taxable property in their respective counties, which tax shall be collected at the same time and by the same officers as the other taxes for the same year, and shall be held in the County Treasury of the respective counties, and on the first day of July of each year, or as soon as practicable thereafter, the said fund shall be apportioned by the said County Boards respectively among the school districts of their respective counties in proportion to the number of pupils enrolled in the public schools of such school districts; and the said county boards shall ascertain the amount of poll taxes collected in and for each school district of their respective counties, and shall notify the County Treasurer and the Trustees of each school district of the amount of poll taxes, as well as of the amount of the aforesaid fund apportioned by them to each school district.

The school funds of each school district shall be distributed and expended by the Board of Trustees for the best interests of

the school district, according to the judgment of the Board of Trustees, on their warrant approved by the County Superintendent of Education. For the purpose of said apportionment pupils shall not be deemed enrolled until after an attendance of at least ten school days during the preceding scholastic year.

**Note.**—Mandamus will not issue to compel approval of warrant where the funds in Treasury are insufficient to pay it.—State ex rel. Williams v. Hiers, 51 S. C., 388, 29 S. E., 89; State ex rel. Bryson v. Daniel, 52 S. C., 201, 29 S. E., 633. The power of the County Superintendent is also discretionary, and mandamus therefore is not the proper remedy. The remedy is given in next section. State v. Hiers, supra.

If a loss of school funds occurs after they are apportioned to a particular district, the loss falls on that district only. Att'y. Gen'l's Op., 1903, p. 1075.

Sec. 1203. The County Board of Education shall constitute an advisory body, with whom the County Superintendent of Education shall have the right to consult when he is in doubt as to his official duty, and also a tribunal for determining any matter of local controversy in reference to the construction or administration of the school laws, with the power to summon witnesses and take testimony if necessary, and when they have made a decision said decision shall be binding upon the parties to the controversy: Provided, That either of the parties shall have the right to appeal to the State Board of Education, and said appeal shall be made through the County Board of Education in writing, and shall distinctly set forth the question in dispute, the decision of the County Board and the testimony as agreed upon by the parties to the controversy, or, if they fail to agree, upon the testimony as reported by the County Board.

**Note.**—It is clear that the action of a Board of Trustees is subject to the supervision and orders of the County Board of Education, State v. Daniel, 52 S. C., 201. An appeal lies from the county to the State Board: State ex rel. Williams v. Hiers,

51 S. C., 388 (Atty. Genl's Op., 1904, p. 39), and when taken acts as a supersedeas. (Atty. Genl's Op., 1905, p. 41.)

Sec. 1204. The County Board of Education shall meet for the purpose of examining applicants for teachers' certificates, and the transaction of other business, at least twice a year, at such places and at such times as the State Board of Education shall appoint. The County Superintendent shall be Chairman and Clerk of the Board, and shall keep a fair record of their proceedings, and register of the name, age, sex, color, residence and date of certificate of each person to whom a certificate is issued, and in case the certificate be cancelled shall make a proper entry of the same. The board shall have power to revoke any certificate granted by them, for immoral or improper conduct, or evident unfitness for teaching. The board shall hold as many additional meetings during the year as the interest of the free public schools of the county may require, subject to regulations prescribed by the State Board of Education.

Sec. 1205. The County Boards of Education shall divide their counties into convenient school districts, as compact in form as practicable, having regard to natural boundaries, and not to exceed forty-nine nor be less than nine square miles in area, and shall alter the lines thereof, and create additional school districts from time to time as the interests of the schools may, in their judgment, demand: Provided, That no new school district shall be erected by said County Board of Education, except upon the petition of at least one-third of the qualified electors embraced within the limits of such proposed school district: Provided, further, That no school district shall be consolidated except upon a petition of at least one-third of the qualified voters of the school district proposed to be consolidated: Provided, further, Whenever territory embraced in two or more counties is proposed to be formed into one school district, the same may be formed by the joint action of the Board of Education of the respective counties as herein provided for the formation of the school districts in a county: Provided, That in cities of ten thousand inhabitants and over, this limitation of area shall not apply: Provided, further, That when any school district laid out under this section shall embrace cities or towns already organized into special school districts, in which graded school buildings have

been erected by the issue of bonds, or by special taxation, or by donation, all the territory included in said school district shall bear its just proportion of any tax that may be levied to liquidate such bonds or support the public schools therein. The present division of the counties into school districts shall remain until changed by the County Boards of Education. The County Boards of Education are authorized and empowered to make contracts for the purpose of dividing their counties into proper school districts, and to provide for the payment of the expenses thereof out of the school funds of the county. Every school district now organized or to be hereafter organized, in pursuance of this section, is and shall be a body politic and corporate, by the name and style of School District No. — (such number as may be designated by the County Board of Education), of — County (the name of the county in which the district is situated), the State of South Carolina; and in that name may sue and be sued, and be capable of contracting and being contracted with to the extent of their school fund, and holding such real and personal estate as it may come into possession of, by will or otherwise, or as is authorized by law to be purchased, all of which shall be used exclusively for school purposes.

**Note.**—As stated, the districts are bodies corporate and may sue and be sued. *Hughes v. School District*, 66 S. C., 259; *State v. Bacon*, 31 S. C., 765; *Aiken Co. v. Murray*, 35 S. C., 508. Genl's Op., 1906. The expenses of survey, etc., are to be paid out of the school funds. Atty. Genl's Op., 1904, 28.

Sec. 1206. Each school district shall be under the management and control of the Board of Trustees hereinafter provided for, subject to the supervision of the County Board of Education.

Sec. 1207. The school districts of the several counties of the State are hereby made and declared to be the divisions of the counties for taxation for all school purposes.

Sec. 1208. The voters or electors of any school district who return real or personal property for taxation, are authorized to levy and collect an annual tax, to supplement any special or other constitutional or other tax for like purposes, in following manner; upon the written petition or request of at least one-third of the resident electors and a like proportion of the resident freeholders of the age of twenty-one years, being filed with the County Board of Education, asking for the same, and stating the rate of tax levy proposed, which shall not exceed four mills. The said County Board of Education shall order the Board of Trustees of said school district to hold an election at some place within the district, at any time during any fiscal year, after giving notice of the time and place thereof in some newspaper published within the county and by posting notice thereof in at least three public places within such school district, for two weeks, unless there be no newspaper published within the county, in which event the posting of the notices as above shall suffice. At which said election only such electors as return real or personal property for taxation, and who exhibit their tax receipts and registration certificates as required in general elections, shall be allowed to vote. At said election the Board of Trustees shall act as managers, and the election shall be conducted as is provided by law for the conduct of general elections. At said election, each elector favoring the proposed levy shall cast a ballot containing the word "Yes," printed or written thereon, and each elector opposed to said levy shall cast a ballot containing the word "No," printed or written thereon. Within ten days after such election, if the majority of those voting shall vote for such levy, the Board of Trustees shall furnish the County Auditor with a statement of the amount so levied, and the Auditor shall enter the same in the tax duplicates; and he shall annually, each year thereafter, enter said amount in the tax

duplicates until the same is increased, decreased, or repealed by said taxpayers, at election called for that purpose, which said election must be held on or before the first day of June, and he is notified that the same has been increased, decreased, or repealed; and if increased, or decreased, he shall annually enter it as before; which election shall be called and notice given in the same way and manner as is herein provided for the calling of meetings to make the levy and the giving of notice that it has been made; and the County Treasurer shall collect the same as other county and State taxes: Provided, That any tax which may be levied, increased, decreased or repealed, after October 1st in any fiscal year, shall not take effect until the next succeeding fiscal year. Such levy shall be a lien on the property in such school district, which shall be subject thereto in case of default of payment. Said tax so collected shall be paid out by the County Treasurer upon warrants drawn by the Board of Trustees, countersigned by the County Superintendent of Education: Provided, That any surplus of such levy remaining in the hands of the County Treasurer at the expiration of any fiscal year shall be paid out as other school funds of the district. Each taxpayer, when he pays any tax for school purposes voted under the provision of this section, shall have the right to designate to which school in said school district he wishes the money paid by him to go; and the Treasurer shall keep a note of such designation, and the money shall be applied as thus designated. When no designation is made by the taxpayer at the time of such payment, the money shall be expended as other school funds in such districts: Provided, That nothing herein contained shall be construed to change the manner now provided by law for the collection and paying out of special taxes in any school district now established by any special Act of the General Assembly and organized thereunder. (1907, 25 Stats., 631.)

The petition must be signed by one-third both of resident voters and resident freeholders. Atty. Genl's Op., July 10, 1902. The electors must be registered, but not the freeholders, which term includes women owing property in the district. Atty. Genl's Op., 1906, 104.

The County Auditor should be given written notice of the levy. *Dent. v. Brice*, 16 S. C., 12; Atty. Genl's Op., 1904, 51-52. Genl's Op., May 10, 1902.

Sec. 1208a. (Act of 1907, 25 Stats., 522, as amended by Act of 1909, 26 Stats., 89.) 1. The Trustees of any public school district in the State of South Carolina are hereby authorized and empowered to issue and sell coupon bonds of the said school district, payable to bearer, in such denominations and amount as they may deem necessary, not to exceed four per cent. of the assessed valuation of the property of the district for taxation, and bearing a rate of interest not exceeding six per cent. per annum, payable annually or semi-annually, and at such times as they may deem best: Provided, That the question of issuing the bonds authorized in this section shall be first submitted to the qualified voters of such school district at an election to be held upon the written petition or request of at least one-third of the resident electors and a like proportion of the resident freeholders

of the age of twenty-one years, to determine whether said bonds shall be issued or not, as herein provided: Provided, further, That before any election is held under this Act it shall be the duty of the trustees of the school district to have a survey of said school district made by some competent surveyor and a plat thereof made and filed in the office of the clerk of court: Provided, further, That the maximum percentage of assessed valuation as fixed above shall not apply to Rosemary School District in the County of Georgetown, but that in said school district the maximum percentage of assessed valuation of property shall be eight per cent.

2. For the purpose of determining the issue of bonds authorized in Sec. 1 of this Act, such trustees of school district shall order an election to be held at such place in such school district as may be designated by such trustees of such school district on the question of whether such bonds shall be issued or not, in which election only qualified voters residing in such school district shall be allowed to vote, and such trustees shall give notice of such election for ten days in a newspaper published in such district, or by posting such notice in three public places in such school district; shall designate the time and place and appoint the managers of such election, and receive the returns of the managers of such election, and declare the results.

3. The ballot cast must have written or printed on it the words "For Bonds" or "Against Bonds."

4. If a majority of the votes cast at such election shall be for issuing the bonds, such trustees shall issue such bonds, which shall run not longer than twenty years from date of issue thereof, which shall be sold by such trustees at not less than par, and proceeds of which shall be used by such trustees for the purpose of erecting buildings, and for equipment for maintaining public schools in such school district, or for paying the indebtedness of such school district; and such bonds and coupons of the same shall constitute a lien upon the property of such school district; it shall be the duty of the county officers charged with the assessment and collection of taxes, to levy and collect annually from all the property, real and personal, within the limits of such school district, a sum sufficient to pay the interest on such bonds, and also a sum sufficient to provide a sinking fund for the payment of such bonds when due, and the coupons

thereof shall be received for school taxes upon property within such school district.

5. All bonds issued under and in pursuance of this Act shall be signed by the trustees of such school district: Provided, That the signatures of such trustees shall be lithographed or engraved upon the coupons attached to such bonds, and such lithographed signatures shall be sufficient signing thereof.

6. The proceeds of such bonds as are contemplated in this Act shall be deposited with the County Treasurer of the county in which such school district is located, and shall be receipted for by such County Treasurer, and shall be paid out by him only upon the warrant of such Board of Trustees, as provided by law for the handling, expending and accounting for all other public school funds: Provided, That nothing in this Act shall be construed as affecting any bonds already issued or voted in any school district of the State or bonds authorized by special Acts of the Legislature.

7. That the Treasurers of the counties in which said school districts are situated are directed and requested to deposit all moneys in their hands belonging to the sinking fund which may accumulate under the provisions of this Act in some savings institution or bank approved by the Board of Trustees of said school district, at the best rate of interest that can be obtained until the said bonds mature, and that the said Treasurers shall, at the direction of the Board of Trustees, change the place of deposit at any time.

1208b. (Act of 1898, 25 Stats., 1051.) All bonds hereafter issued or sold, or to be hereafter issued or sold, by the trustees of any school district or school districts pursuant to the vote of the majority of the qualified voters of such school district, or school districts, voting at an election heretofore or hereafter held for the erection of buildings, for equipment, for maintaining public schools in such district or districts, or for paying indebtedness of such district or districts, shall be exempt from all taxation for State, county, municipal or school purposes.

**Note.**—See the High School Act of 1907, 25 Stats., 518, as amended in 1908, 25 Stats., 1119, and 1909, 26 Stats., 85, published in separate pamphlet by the State Superintendent in 1909, with the high school regulations and courses of study.

Sec. 1209. Whenever it shall happen that by reason of the location of special school districts portions of two adjacent counties should for convenience be included in one school district, the County Boards of Education of such counties are hereby authorized and directed in joint conference to make such regulations as will enable such sections to be established into a separate school district.

Sec. 1210. Each County Board of Education, on the first Tuesday of July, 1908, and on the first Tuesday in July two years thereafter, shall appoint for each school district in their county three School Trustees, from the qualified electors and taxpayers, residing in the district, who shall hold their office for two years, and until their successors are appointed and qualified, unless sooner removed by the County Board of Education. The County Board of Education shall have power to fill, from time to time, all vacancies in the Board of Trustees. The School Trustees shall meet as a Board as soon and as often as practicable, and after having been appointed and qualified, at such place as may be most convenient in the district. At their first meeting they shall organize by electing one of their number Chairman of the Board, who shall preside at the official meetings of the Board, and another Clerk of the Board, who shall record their proceedings in a book provided for that purpose. Each member of the Board of Trustees shall be duly notified of all meetings of the Board by the Clerk of the Board: Provided, That the foregoing provisions of this section shall not apply to special and graded school districts created by special Acts; but that the Trustees and School Commissioners of all special and graded school districts shall remain the same in number, and shall be elected or appointed in the same manner, and shall hold the office for the same time as is provided for in the respective special Acts; except that in the special school districts where the Trustees, or their successors, are appointed by the State Superintendent of Education under the provisions of the special Acts, the Trustees shall hold office until the first Tuesday in July, 1908, on which day, and on the same day every two years thereafter, the Trustees shall be elected by the qualified electors of such school district: Provided, That special school districts having a population of not less than five thousand inhabitants, and in

which the Boards are not fixed by special or specific legislation, may elect, on the second Tuesday in January, 1904, or on the second Tuesday in January of any alternate year thereafter, nine Trustees, to constitute a Board in their respective districts: Provided, further, That three of the said Trustees to be elected at said election shall serve for a term of two years, three for a term of four years, and three for a term of six years, the term of each Trustee to be determined by lot in the presence of the County Board of Education; and on the second Tuesday of January every two years thereafter, three Trustees shall be elected to serve for a term of six years. The election of all Trustees for all such school districts shall be by ballot, and shall be conducted under the supervision of three qualified electors residing within the district, who shall be appointed by the County Board of Education, at least ten days prior to the holding of the election. The managers shall report the result of the election to the County Board of Education, within ten days thereafter, which Board shall commission the Trustees so elected. The Board of Trustees of each special or graded school district shall elect from their number a Chairman, who shall preside at their meetings, and a Secretary, or Secretary and Treasurer, who shall record the proceedings of the Board, and who shall keep a full and accurate account of all moneys received and expended, showing the source and disposition of each item, and who shall make a complete itemized report of the receipts and disbursements of each scholastic year to the County Superintendent of Education, on or before the 15th day of July of each year. The books and vouchers of the Secretary and Treasurer shall be open at all times to inspection by the public: Provided, further, That upon the petition of one-third of the qualified electors of School District No. 13, in Abbeville County, filed with the County Superintendent of Education, on or before the first day of June in any year, when School Trustees are to be appointed, the County Board of Education shall order an election to elect the Trustees for School District No. 13 in the manner herein provided for in the election of Trustees of Special School Districts. (23 Stats., 63; 24 Stats., 528 and 25 Stats., 30.)

Two members being a majority of the Board can transact business, Atty. Genl's Op., 1906, p. 105; if the absent member has been notified of the time and place of meeting, Atty. Genl's Op., 1905, p. 47.

School Trustees may be removed by the County Board without preferring charges against them. Atty. Genl's Op., 1905, p. 56.

Sec. 1211. The Board of Trustees in each school district shall take the management and control of the local educational interests of the same, and shall visit each school district at least once in every school term, and shall be subject to the supervision and orders of the County Board of Education.

State ex rel. Bryson v. Daniel, 52 S. C., 201, 29 S. E., 633.

Sec. 1212. The Board of Trustees shall hold a regular session in their school districts at least two weeks before the commencement of any or every school term for the transaction of any and all business necessary to the prosperity of the schools, with power to adjourn from time to time and to hold special meetings at any time or place when called upon by the Chairman or any two members of the Board.

Sec. 1213. The School Trustees of the several school districts are authorized and empowered to sell any school property, real or personal, in their school districts whenever they deem it expedient to do so, and to apply the proceeds of sale or sales to the school fund of the district wherein such sale is made: Provided, That the consent of the County Board of Education be first obtained by the Trustees desiring to make such sale. That it shall be the duty of the said Board of Trustees, within thirty days after said sale, to enclose a report of the same to the County Board of Education, setting forth the terms and amount of said sale.

Sec. 1214. When it shall so happen that persons are so situated as to be better accommodated at the school of an adjoining school district, whether special or otherwise, the Board of Trustees of the school district in which such persons reside may transfer such persons for education to the school district in which such school is located; and the Trustees of the school district where the school is located shall receive such persons into the school as though they resided within the district: Provided, That children shall not be transferred from a school district in one county to a school district in an adjoining county without the consent of the Board of Education of the respective counties in which the transfer is made: Provided, further, That if any taxpayer pays taxes in two or more counties he shall have the right to send his children to the school of any one of said counties.

For directions as to enrollment, see Sec. 1185, ante.

**Note.**—The transfer is only authorized between adjoining districts, Atty. Gen'l's Op., 1903, 1069; scholars from one district are not entitled to free tuition in another district unless transferred under this section, Atty. Gen'l's Op., 1906, 103, 1905, 48. They cannot be received as free pupils without such transfer. Atty. Gen'l's Op., 1904, p. 37. But if so transferred they cannot be charged tuition. Atty. Gen'l's Op., 1905, p. 63; 1904, p. 36 and 50. The district to which the transfer is made cannot refuse to receive the pupil. Atty. Gen'l's Op., 1904, p. 38 and 39. The order making the transfer may be reviewed by the County Board of Education or appeals. Atty. Gen'l's Op., 1905, p. 50 and 54; 1904, p. 34. It is too late to appeal after both district Boards have acquiesced in the transfer. Atty. Gen'l's Op., 1904, 36.

Sec. 1215. Each school teacher shall make out and file with the Clerk of the Board of Trustees, at the expiration of each school month, a full and complete report of the whole number of pupils admitted to the school during each month, distinguishing between male and female, the average attendance, the branches taught, the number of pupils engaged in studying each of said branches, and such statistics as he or she may be required to make by the County Board of Education: Provided, That whenever a teacher is unavoidably prevented from filing said report at the expiration of any school month, the Board of School Trustees may have authority to receive the report within a reasonable time thereafter, if, in their opinion, the reasons for the delay are good and sufficient. On the filing of the teacher's report and its approval by the Board of Trustees, their Clerk shall draw an order in duplicate on the County Treasurer for the amount due such teacher, which shall be signed by the Board, which order, if accompanied by a copy of said monthly report and approved by the County Superintendent of Education, shall be countersigned by him and the duplicate filed in his office.

**Note.**—Pupils cannot be included in enrollment unless they have attended at least ten days during the session. Atty. Genl's Op., 1905, 63. Separate pay warrant must be issued to each teacher. Atty. Genl's Op., 1904, p. 44. And salaries are to be paid only for the term the public school runs. Atty. Genl's Op., 1903, p. 1076.

Sec. 1216. All claims, of every description whatsoever, which are chargeable against the fund raised for the support of the free public schools of the State, except such as are otherwise provided for by law, must be signed by at least a majority of the Board of Trustees of the school district against which the claims are chargeable; and the correctness and legality of the same shall be sworn to and subscribed by the person presenting such claim before it shall be approved by the person or persons authorized by law to give such approval. School Trustees and County Superintendents of Education shall, free of charge, administer oaths to persons presenting the claims contemplated by this section.

Approval of claim is not compellable by mandamus. *State ex rel. Williams v. Hiers*, 51 S. C., 388, 29 S. E., 90; The endorsement of approval need not be under official seal. *State v. Morton*, 51 S. C., 323, 28 S. E., 945.

Sec. 1217. It shall be unlawful for a School Trustee to receive pay as a teacher of a free public school.

Sec. 1218. The Board of Trustees shall also have authority, and it shall be their duty:

1st. To provide suitable school houses in their districts, and to make the same comfortable, paying due regard to any school house already built or site procured, as well as to all other circumstances proper to be considered so as best to promote the educational interests of their district.

**Note.**—Location of school house site by Trustees is subject to review by the County Board of Education. *Sligh v. Bowers*, 62 S. C., 409, 40 S. E., 885; *Young v. Trustees*, 64 S. C., 131.

See, also, *Atty. Genl's Op.*, 1904, p. 26.

**Note.**—The Trustees can designate what school a pupil shall attend. *Atty. Genl's Op.*, 1903, 1068; or may discontinue a school. *Atty. Genl's Op.*, 1903, 1073; or located in a private building. *Atty. Genl's Op.*, 1903, 1073 and 1074. Trustees are not authorized to submit question of location to an election. *Atty. Genl's Op.*, 1903, 1072.

2d. To employ teachers from those having certificates from their County Board of Examiners or from the State Board of Education, and to fix their salaries, and to discharge the same when good and sufficient reasons for so doing present themselves, subject to the supervision of the County Board of Education.

**Note.**—Construed in connection with Sec. 1211 to mean "subject to the supervision and orders of the County Board of Education."—*State ex rel. Bryson v. Daniel*, 52 S. C., 201, 29 S. E., 633.

(As to the employment of teachers related, or kin to Trustees, see Sec. 1228 below.)

The action of the School Trustees fixing salaries of teachers may be reviewed by the County Board of Education. *Atty. Genl's Op.*, 1905, p. 56.

The teacher elected must be one having a certificate. Atty. Genl's Op., 1904, p. 43; and cannot be elected for a longer term than that of the Trustees electing. Atty. Genl's Op., p. 43; also Aug. 6, 1901. The Trustees cannot employ a Superintendent to visit and supervise the work of the schools in their district. Atty. Genl's Op., 1904, p. 44.

The dismissal, but not the employment, of teachers is subject to review of the County Board of Education. Atty. Genl's Op., Oct. 11, 1901.

No general or special School Trustees shall hereafter employ any teacher who has not a certificate to teach in the free public schools of the State. This provision, however, not to affect the employment of any teacher now teaching in any of the schools of the special School Districts: Provided, further, That the Trustees of any such school shall always have the right and power to impose any additional examinations and qualifications they may deem proper before or after employing any teachers: Provided, also, That all funds of the free public schools of this State other than those arising from the special levy of special School Districts shall be paid out of the County Treasury, upon warrants duly vouched by the School Trustees of the respective schools or school districts, or otherwise, as provided by the laws governing any special School District.

3d. To suspend or dismiss pupils when the best interests of the schools make it necessary.

5th. To take care of, manage and control the school property of the district.

6th. To visit the free public schools within their district, from time to time, and to take care that they are conducted according to law and with the utmost efficiency.

7th. They shall be allowed to cross all bridges or ferries free of charge when they are traveling on official business.

**Note.**—The Trustees cannot charge the pupils incidental fees. *Younger v. Trustees*, 64 S. C., 131.

Sec. 1219. The County Auditor shall require each taxpayer to return the number and name of the school district in which he resides when he makes his tax return, and the Auditor shall state the name in a separate column in the tax duplicates.

Sec. 1220. The County Auditor, when he has completed the tax duplicates, shall report to the County Superintendent of Education, by school districts, the names listed for poll tax, and the amount of taxable property where there is a special levy.

**Note.**—The report, or information, given the County Superintendent of the poll tax listed in each district is in fact an apportionment of such tax, and to be treated as such. Atty. Genl's Op., 1903, p. 1063.

Sec. 1221. The several County Treasurers shall retain the poll tax collected in their respective counties; and it is hereby made the duty of the said Treasurer in collecting the poll tax to keep an account of the exact amount of said tax collected in each school district in his county, and the poll tax collected therein shall be expended for school purposes in the school district from which it was collected; and any violation of this section by the County Treasurer shall constitute, and is hereby declared, a misdemeanor, and on conviction thereof the said County Treasurer shall pay a fine not more than five hundred dollars, to be used for school purposes in the county suffering from such violation, or imprisonment, in the discretion of the Court.

Sec. 1222. Each County Treasurer, when he has finished the collection of taxes for his county, shall report to the County Superintendent of Education the names of the persons in the respective school districts who have paid their poll tax.

Sec. 1223. It shall be the duty of each County Treasurer to report monthly, on the fifteenth day of each month, to the County Superintendent of Education of his county, the amount of collections and disbursements made by him for the month on account of school tax and all other school funds; and it shall be a misdemeanor on the part of any County Treasurer to neglect, fail or refuse to make such report, and on conviction thereof he shall pay a fine of not more than five hundred dollars, the same to be used for school purposes in his county.

Sec. 1224. All moneys disbursed by any County Treasurer on account of school funds, taxes or other school funds, shall be paid on the order of the Board of School Trustees, countersigned by the County Superintendent of Education, or as otherwise directed by law.

**Note.**—Distinction between countersigning, and drawing a warrant on school funds.

Ex parte Board of Commissioners Florence Graded Schools, in re McDuffie, School Commissioner, 43 S. C., 11, 20 S. E., 794.

Sec. 1225. Each County Treasurer shall make out and forward to the State Superintendent of Education annually, on the first day of November, a certified statement showing (by school districts) the amount of poll tax and the amount of all other school taxes collected by him for the fiscal year ending on the 31st day of December next preceding; and should any County Treasurer fail or neglect or refuse to make and forward the statement as herein required, the State Superintendent of Education shall make a written complaint to the Circuit Solicitor for the county in which the said Treasurer resides, who shall prosecute the said County Treasurer for the same, and on conviction thereof he shall be subject to a fine of not more than five hundred dollars, the same to be used for free public school purposes in his county.

Sec. 1226. The County Treasurer shall carry forward all sums in his hands collected for any previous year or years for school purposes, and unexpended, to the next fiscal year, and credit the same to the school district respectively for which it was apportioned, and he shall report the same to the County Superintendent of Education.

Sec. 1227. It shall be unlawful for any County Treasurer, County Auditor, member of County Board of Education, or School Trustee, to buy, discount or share, directly or indirectly, or be in any way interested in any teacher's pay certificate or other order on school fund, except such as are payable to him for his own services, or for any School Trustee to make any contract, or be pecuniarily interested, directly or indirectly, in any contract with any school district of which he is Trustee.

See Criminal Code, Sec. 418, for penalty for violation of this provision.

Sec. 1228. The County Board of Education shall regulate the opening and closing of the school terms so as best to promote and subserve the educational interest of the different sections of their counties: Provided, That all contracts which Boards of Trustees may make in excess of the funds apportioned to their districts shall be void. And no teacher shall be employed by a Board of Trustees of any school district who is related to a member of the Board by consanguinity or affinity within the second degree, without the written approval of the Board of Education of the county, nor unless a majority of the parents or guardians of the children attending the school for which such teacher is employed requests such employment in writing.

**Note.**—Contracts in excess of funds are void, being beyond the power of the Trustees. *State v. Bowman*, 66 S. C., 153.

A petition should be signed by the parents as desiring the employment of a relative of a Trustee as teacher, and the approval of the County Board of Education should be endorsed thereon. *Atty. Genl's Op.*, 1905, 65; 1904, 42.

The term, "second degree," includes persons related as uncle and nephew or niece, first cousins, and those nearer. *Atty. Genl's Op.*, 1904, p. 42.

After the petition, nomination or request in writing is submitted, it is for the Trustees to elect or not as they see proper. *Atty. Genl's Op.*, 1903, p. 1075.

Sec. 1229. It shall not be lawful for any person who is less than six or more than twenty-one years of age to attend any of the free public schools of this State.

**Note.**—This prohibits the establishment of free kindergarten for children under six years by Trustees. *Atty. Genl's Op.*, 1903, 1061.

Sec. 1230. The members of the State Board of Education appointed by the Governor, members of the County Boards of Education appointed by the State Board of Education and members of the Board of Trustees shall be exempt from militia duty.

**Note.**—School Trustees and teachers employed in public schools are exempted from liability to work on the public roads, by Act of 1905, 24 Stats., 874.

See Criminal Code for penalty for members of County Boards of Education and School Trustees attempting to act after expira-

tion of their term, or removal from office; and for teachers acting as agents for school books.

Sec. 1231. It shall be unlawful for pupils of one race to attend the schools provided by Boards of Trustees for persons of another race. (Cited in *Flood v. News and Courier Co.*, 71 S. C., 118.)

Sec. 1232. The scholastic year shall begin on the first day of July of each year and end on the thirtieth day of June following.

Sec. 1233. The free public schools of the State shall be kept open and the exercises thereof continued, in each school district in the State, for a period of at least three months in each and every year.

Sec. 1234. The Comptroller General, in determining whether any deficiency exists in any school district, for the purposes of the distribution of the fund mentioned in the next succeeding section, shall make his estimate upon the basis of the allowance to each school in every school district, out of the three mill constitutional tax and poll tax, the sum of seventy-five dollars for the expenses of such term of three months, for each school existing during the scholastic year 1897-1898.

Sec. 1235. All net income derived by the State from the sale of liquors in this State, under the dispensary law, shall be apportioned among the various counties of this State, for the benefit of the common schools, in proportion to the deficiencies existing in the various counties of this State, after the application of the three mill tax and the poll tax, to run the public schools for the time fixed in Sec. 1233; and if there shall be a surplus remaining of such net income, after such deficiencies shall have been equalized, it shall be devoted to public school purposes, and be apportioned among the counties in proportion to the enrollment in the public schools, as shall appear by the report of the State Superintendent of Education for the next preceding scholastic year, and be distributed among the school districts of the counties, and be disbursed as other school funds: Provided, That out of said surplus there shall be appropriated five thousand dollars for the purpose of maintaining institutes for the better instruction of the teachers of the public schools, the same to be paid on

the warrant of the Governor and the State Superintendent of Education; and all funds derived from said dispensary law, not already disbursed, shall be apportioned in the same way.

**Note.**—When mandamus will issue to compel apportionment. *State ex rel. Capers v. Derham*, 54 S. C., 349, 32 S. E., 418.

Sec. 1236. Such apportionment shall be made by the Comptroller General quarterly, and he shall draw his warrant upon the State Treasurer in favor of the County Treasurer of the respective counties for the amounts apportioned to such counties, respectively.

Sec. 1236a, 23 Stats., 1103. (1) The Directors of the State Dispensary shall pay over to the State Treasurer by January 1, 1904, in equal semi-annual payments, all of the school fund reported by them in excess of four hundred thousand dollars, for the benefit of the common schools of the State, to be apportioned by and paid out on the warrant of the Comptroller General as is now provided by law for the apportionment and payment of Dispensary profits for the benefit of said schools: Provided, That the first payment shall be made on the 30th day of June, 1902.

(2) The Directors of the State Dispensary shall make quarterly settlements for the purpose of ascertaining the net profits accruing to the State from the sales made from the State Dispensary, and shall pay over the profits so ascertained to the State Treasurer within ten days thereafter, for the benefit of the common schools of the State, to be apportioned by and paid out on the warrant of the Comptroller General as is now provided by law for the apportionment and payment of dispensary profits for the benefit of said schools. The first settlement made under this Act shall be on the 31st day of March, 1902.

(3) The County Treasurers of the several counties of this State shall not pay to the authorities of the several cities and towns, entitled to dispensary profits, their share of such profits except upon the warrants of the County Board of Control and County Auditor issued to the authorities of said cities and towns, when settlements are made by them as required by law. The said County Board of Control and County Auditor shall at the same time also certify in writing to the County Supervisor of the county entitled to share the dispensary profits the amount thereof to which the county is entitled.

(4) All profits from County Dispensaries subject to distribution among the counties, cities and towns of the State which have accrued since the fourth Monday of December, 1901, and which may hereafter accrue, shall be distributed monthly among the counties, cities and towns entitled thereto in the proportion fixed by law, and that the settlements to ascertain the same shall be made on the fourth Monday in each month, instead of quarterly, as heretofore provided by law.

1235a. (Act of 1909, 26 Stats., 165.) For the purpose of equalizing the free school term throughout the State, the sum of twenty thousand dollars is hereby appropriated. And the State Superintendent of Education is hereby directed to apportion the same for the purpose of supplying the deficiencies which Sec. 6 of Art. XI of the Constitution of this State requires the General Assembly to provide for. And the said sums shall be expended in accordance with the provisions of said section of the Constitution in such manner as will give aid to schools in proportion to the deficiencies as they may be found to exist—the greatest deficiency receiving the greatest aid—so far as said fund will extend: Provided, That no school shall receive aid hereunder until a fund shall have been raised by the district, by levy or otherwise, which will equal one-half the amount to be received from this fund: Provided, further, That no school whose proportion of the regular school fund is sufficient to keep such school in operation for one hundred or more school days during the scholastic year, shall receive any aid under the provisions of this Act: Provided, further, That the maximum amount distributed to any one school under the provisions of this Act, shall be one hundred dollars per annum.

2. The State Board of Education is hereby authorized and empowered to make rules and regulations for the guidance of the State Superintendent in the disbursement of this fund.

**Note.**—For regulations as to State aid to high schools, see the Act of 1907, 25 Stats., 518, amended in 1908, 25 Stats., 1119, and in 1909, 26 Stats., 85, published in a separate pamphlet by the State Superintendent of Education, with the high school regulations and courses of study.

Sec. 1237. The State Superintendent of Education may advertise for bids for all printing required under this chapter, and

shall let the same to the lowest bidder therefor, who shall be required to file with his bid a bond in double the amount of his bid for the faithful performance of the contract.

Sec. 1238. Nothing contained in this Act shall be construed to repeal the Acts of the General Assembly creating special and graded school districts, and the provisions of said Act shall apply to said school districts: Provided, That the Trustees of said school districts and Commissioners of the city schools of Charleston shall make annual reports to the State Superintendent of Education in such form and at such time as he may prescribe: Provided, further, Whenever under the provisions of law any school district or municipal corporation is authorized to levy a special tax for the support of public schools therein, any person not a resident of said school district or municipal corporation shall be entitled to a credit upon fees for the tuition of his or her children by the amount of such special tax paid by such person.

**Note.**—Rights of special school districts not affected by the general school law until so specified. *Holler v. Rock Hill School District et al.*, 60 S. C., 41, 38 S. E., 220; *Martin v. School District of Laurens*, 57 S. C., 125, 35 S. E., 517.

Sec. 1239. (Am., 1908, 25 Stats., 1123.) The County Boards of Education of the several counties of this State are hereby authorized and required to set aside from the public school funds of their respective counties an amount not exceeding five hundred dollars, for the purpose of providing the pupils attending the free public schools of their counties with school text-books at actual cost or exchange prices, the amount so set aside from the school funds shall be paid to the County Superintendent of Education by the County Treasurer out of the unappropriated general school funds in his hands, on the warrant of said County Board of Education, and shall be and remain permanent funds in the hands of the County Superintendent of Education to be used in purchasing and keeping on hand school text-books for sale to pupils attending the free public schools in his county, for cash, at actual cost or exchange prices, and to be used for no other purpose and in no other manner; and the places where said school text-books are kept and sold shall be deemed depositories, under the control of the State, as provided in the seventh article

or provision in the contract made in 1893 with the publishers of school text-books. That the County Superintendent of Education in every county in the State be, and is hereby, required to keep his office open each day of the week prior to the time appointed for schools to open in his county, and for one week immediately thereafter, and for at least one day in each week during the remainder of the school term, for the convenience of those wishing to purchase books: Provided, That in the counties of Charleston, Edgefield, Chesterfield, Georgetown, Kershaw, Lancaster, Laurens, Greenwood, Lexington and Richland, the County Boards of Education are hereby authorized and empowered, but not required, to carry out the provisions of this section: Provided, however, That nothing herein contained shall prevent the keeping of said depository in some other place than the office of the Superintendent of Education, if in his judgment it is best to do so.

Sec. 1239a. (G. S., Vol. 24, Sec. 441.) That immediately after the approval of this Act by the Governor, the County Superintendents of Education in the several counties of this State are hereby authorized and required to select and secure a reliable merchant, postmaster or other reliable person in each township in each county, with whom there shall be deposited a sufficient number of school books for sale for schools in that township, at not exceeding ten per cent. above first cost; and that accurate accounts thereof shall be kept by the said County Superintendent with each depository.

**Note.**—This Act is cumulative, and does not repeal Sec. 1239 requiring depository in office of County Superintendent of Education. Atty. Genl's Op., 1905, p. 54.

Sec. 1239b. XXIII, 1020. Whenever it shall be made to appear to the satisfaction of the Trustees of any school district that any patron of such school is unable by reason of poverty to purchase the necessary books for the use of his or her child or children, then in such case the Trustees of such school district may, in their discretion, purchase such necessary books for such pupils, and furnish the same to pupils under such regulations as the Trustees may prescribe: Provided, The sum so expended for the purchase of said books shall not exceed the sum of five per cent. of the school fund of said district in any one year: Pro-

vided, further, That the books so purchased shall be the property of such public school district, and must be returned to the Board of Trustees at the end of each term.

Sec. 1240. That in all schools and colleges within this State which are supported in whole or in part from the free school funds, it shall be unlawful to use any text-book which has been condemned or disapproved by the State Board of Education.

Sec. 1241. All persons holding school claims against any county of this State which are unpaid are hereby permitted and allowed to prove and establish the same before the County Superintendent of Education, the County Treasurer and County Auditor of said county.

If said claims are declared valid and binding obligations by said County Superintendent of Education, Auditor and Treasurer against the school district for which they were issued, the County Treasurer of said county is hereby authorized and directed to pay any of said claims declared valid out of the first money coming in his hands as Treasurer belonging to the school district against which said claim or claims are established.

Sec. 1241 (a) (Act of 1909, 26 Stats., 132). Any and all school warrants issued by any Board of Trustees against any public school fund shall not be paid by the County Treasurer or other officer having the custody of such fund until the warrant has been approved by the County Superintendent of Education of the county in which said warrant is drawn.

See Acts 1901, XXIII, 826, as to payment of claims in Clarendon, Laurens, Marion, Newberry and Sumter counties.

Sec. 1241a. (23 Stats., 1019.) The County Treasurers and the County Supervisors of the several counties in this State be, and they are hereby, authorized and required, upon the application of the County Boards of Education of the respective counties, to borrow, from time to time during any fiscal year, such sums of money as may be necessary to pay the school claims of such counties, not to exceed seventy-five per cent. of the amount reported by the County Auditors for schools for said fiscal year, at a rate of interest not exceeding the rate of seven per centum per annum, and to pledge the taxes to be collected for that purpose for the payment of the money so borrowed and the interest

thereon: Provided, That all money borrowed shall be held and paid out by the County Treasurer as school funds and without extra commission.

Sec. 1241c. (23 Stats., 1019). In any county in this State where the schools have not funds sufficient to pay all claims in cash, the County Board of Education may, at its discretion, direct the County Superintendent of Education to set aside from the school funds of the county, or any of the school districts, an amount annually of not exceeding ten per cent. of such funds, for so many years as may be necessary to create a sufficient fund to put the schools of such county or any of the school districts on a cash basis.

**Note.**—Surplus funds in one district cannot be applied even temporarily to another. Atty. Genl's Op., 1905, p. 44.

Sec. 1241d. Whenever said reserve fund reaches such an amount sufficient to put said county or school district, as the case may be, on a cash basis, then said fund may be used for said purposes: Provided, That in each year during the time necessary to create such reserve fund, the County Superintendent of Education shall use the fund accumulated as a loan, without interest, to pay claims held by teachers to whom the pay certificates were originally issued, the funds so used to be replaced annually from taxes collected for school purposes.

Sec. 1242. The free public schools of this State shall observe the third Friday in November of each year as Arbor Day, and on that day the school officers and teachers shall conduct such exercises and engage in the planting of such shrubs, plants and trees as will impress on the minds of the pupils the proper value and appreciation to be placed on flowers, ornamental shrubbery and shade trees.

Sec. 1242a. (G. S., Vol. 25, 22.) That the public schools of this State shall observe Calhoun's birthday, the 18th of March of each year, as "South Carolina Day," and on that day the school officers and teachers shall conduct such exercises as will conduce to a more general knowledge and appreciation of the history, resources and possibilities of this State: Provided, That if the said day shall fall on Saturday or Sunday that the Friday nearest to March 18th shall be selected: Provided, further, That if any

school shall not be in session on the said date, that the celebration may be held before the close of the term.

That the State Superintendent of Education shall suggest such topics or programmes as he may deem appropriate for the celebration of South Carolina Day.

Sec. 1242b. (G. S., Vol. 24, p. 878.) Whenever the patrons and friends of a free public school shall raise by private subscription and tender to the County Treasurer, with the approval and endorsement of the School Trustees of such school district, for the establishment of a library to be connected with the said school, the sum of ten dollars, the County Board of Education shall appropriate from the money belonging to the school district asking for the library, the sum of ten dollars for this purpose (together with ten dollars from the general county school fund for a suitable bookcase, which shall be approved by the County Board of Education.)

As soon as the County Board of Education of any county shall have made an appropriation for a library in the manner prescribed, the County Superintendent shall inform the Secretary of the State Board of Education of the fact, whereupon the said State Board of Education shall remit the County Superintendent the sum of ten dollars for the purchase of books for said library. Upon the receipt of this money, the County Superintendent shall deposit the same with the County Treasurer, and shall issue to the person or persons appointed to select the books, a warrant on the County Treasurer for the amount secured by private subscription, by appropriation from the County Board of Education, and by the State Board of Education.

The local Board of Trustees is hereby appointed to select the books, and shall select such books as they may deem best suited for such purpose, and file with the County Superintendent of Education vouchers for the whole amount received: Provided, That no voucher shall be valid except for books, bookcases, and transportation charges: Provided, further, That such purchases shall be from a list furnished by the State Board of Education, which the said State Board shall adopt books for libraries, under the law and rules governing the adoption of text-books, and shall make rules for the governing of said libraries.
